## DETAILS & AVAILABLE COLOURS

TOCCO upholstery fabric is a unique collection that delights with its rich, fleshy structure and delicate shine, ideal for lovers of upholstery fabrics. The characteristic chenille nap creates unique visual effects that emphasize the quality of the material. Thanks to excellent technical parameters and subtly muted tones that harmonize with each other, TOCCO is ideally suited to various upholstery materials. The collection works great on all types of upholstery and upholstery accessories, introducing warmth and elegance to the interior. Additionally, the material is characterized by high resistance to abrasion and pilling, which makes it an excellent choice for furniture upholstery materials, ensuring longevity and durability.
